EDUCATION

Bachelor of Technology, Computer Science

Graduating 09/2020 - 07/2024

Rajiv Gandhi Proudlyogiki Vishwavidyalaya, Bhopal

8.23 CGPA

Acropolis Institute of Technology Research, Indore

Relevant coursework: Data Structures and Algorithms

TECHNICAL SKILLS

Tech Stack: C++, Object-Oriented Programming, Data structures, Computer Networks, HTML, CSS, JavaScript

Design and Modeling Tools: Git, GitHub, Visual Studio Code, MySQL

Programming: C++, Python, SQL, JavaScript

Certifications: NPTEL Certified in Computer Networks & Internet Protocols [2023], CISCO AICTE Virtual Internship Program [2023] and EDX Certified Introduction to Web Development With HTML, CSS and JS [2023]

PROFESSIONAL EXPERIENCE

CISCO VIRTUAL INTERNSHIP, :

05/2023 - 08/2023

- Spearheaded a virtual internship focused on networking, acquiring essential computer networks fundamentals
- Dived into the technical aspects of machine learning algorithms, leading to the implementation of predictive analytics solutions that improved supply chain efficiency by 25 percent.

ACADEMIC PROJECTS

Handwritten Text Recognition

08/2022 - 12/2022

Collaborated in a team of four to design model of handwritten text recognition

- Developed comprehensive process re-engineering project, enhancing end-to-end service processes; orchestrated the restructuring of communication flow among 10 departments, resulting in a 75% reduction in paperwork.
- Where I contributed as a Front-end Developer for each project over a span of 4 months

Sentiment Analysis

08/2023 - 12/2023

Led a team in designing and developing a sentiment model for enhanced analysis.

- Conducted sentiment analysis on large-scale text data using natural language processing techniques; accurately classified sentiment as positive, negative, or neutral with an 85% accuracy rate
- Led the overhaul of interface design, playing a pivotal role in elevating user experience; implemented strategic design enhancements

ACHIEVEMENTS

- Attained 15+ badges on Leetcode, highlighting strong proficiency in algorithmic and coding skills, coupled with a commitment to continuous learning.
- Led the seamless organization of 10+ school events, resulting in a significant boost in community engagement and increased parent participation.
- Maintained an impressive daily streak of 400+ on Leetcode, showcasing discipline, dedication, and a passion for refining skills in a competitive coding environment.

ACTIVITIES

- Led the school's cultural fest as the captivating anchor, connecting with a diverse audience through stage presence.
- Led the planning and execution of over 10 departmental events in college, demonstrating strong organizational and coordination skills.
